#### WHO WE ARE

We are a full service Corporate Commercial Law Firm. Our head office is in Delhi. Our organizational structure is such that we efficiently caters into distinct practice areas through unique collaborative and seamless approach to ensure that our clients are at the receiving end of unified and integrated solutions touching upon the legal areas of their requirement.

Our strength is the extensive knowledge capital and expertise across various facets of transactional advisory and litigation. Our trained teams of dedicated and experienced professional lawyers follow a rich work culture to inherently understand the business minutiae thereby simplifying the complex legal process for businesses.

we strongly believe in building and nurturing long lasting relationships with our clients by practicing 'honesty' and 'ethics' thereby at all the times enabling our clients to make informed decisions. 'Honesty' and 'Ethics' are not only words for us but are deeply embedded and engraved in our work culture – being accessible and approachable while working seamlessly with our clients thereby understanding their challenges and requirements – and help us delivering solutions to suit the requirement of our clients while reducing the risk and optimizing value.

WE ARE THE FIRM OF CHOICE
FOR MANY OF THE LEADING
ORGANISATIONS, WITH OUR
PEOPLE CONSTANTLY
RECOGNISED FOR PROVIDING
OUTSTANDING CLIENT SERVICE
AND DELIVERING EXCEPTIONAL
RESULTS.

## Our approach

We, at the Law Chamber of Amit K Pateria, are committed to supporting our clients in those areas where their partnership with us can bring real value.

This means that we are always listening to our clients and thereby making constant endeavors towards understanding the issues, which are critical to them and are constantly evolving, and continuing to make sure that this is the area where we focus our investment and expertise.

Our combined sector and practice area approach enables us to remain at the forefront of legal and commercial developments, so that we can work with our clients to identify the opportunities and anticipate the core challenges.

Our experience spans a number of industries across government and the private sector.

We act for corporates, businesses and professionals, trades people and individuals.

We have both in-depth and broad experience that encompasses a range of legal areas within each of the practice areas ...

- · Litigation & Arbitration
- · Real Estate & Infrastructure
- · Banking & Finance
- · Intellectual Property Rights
- Employment
- · Corporate & Commercial
- Research & Advisory

We provide exceptional legal services across the full spectrum of matters, including major transactions, projects and significant disputes, offering strategic advice on our client's most challenging issues
